You are also required to write an article for the newsletter summarizing the course and what you learned.

The Woodworkers of CNY may award travel assistance to the individual(s) approved to attend the requested training, classes or instruction of any kind. Travel assistance, when approved, is to offset some of the expenses incurred by the individual(s) traveling to, and participating in, the training, classes or instruction of any kind. The travel assistance is not intended to provide, nor should it be interpreted as, sufficient enough funds to cover all associated costs or expenses. Proof of travel arrangements shall be provided if requested by The Board of Directors of Woodworkers of CNY before travel assistance is distributed.
